### PRINCIPAL'S MESSAGE

Hello everyone

PBS had incredible wins at the netball finals over the weekend. Our B Team 'PBS Blazers' won their final over Te Horo School 17 - 13, followed by our A Team 'PBS Acers' who made their final win over Raumati Beach School seem like a breeze with 11 - 37! It was wonderful to see lots of proud supporters at both games, which helped push the teams to excellence.

Thank you to the coaches, managers and umpires who gave their time freely to enable PBS kids to play netball this season. Without the gift of your time and dedication, our players wouldn't feel so supported, nor experience such success.

Warm regards

Jess Ward - Principal/Tumuaki

### **SCHOOL PHOTOS TOMORROW (WEDNESDAY):**

Please make sure that students have their sports uniforms for touch, hockey and netball ready for photo day tomorrow (Note: Yr 1 & 2 hockey and Yr 1 & 2 netball teams don't have uniforms).

Any coaches who are available to be in their sports team photo, please make contact with Mike Thomas on [mthomas@pbs.school.nz](mailto:mthomas@pbs.school.nz) so we can organise a mutually suitable time for the photo.

## WHOOPIING COUGH

We have been notified of two cases of whooping cough in the school. The classes involved have been notified via a separate newsletter. The students have since had a course of antibiotics and are now well.

The symptoms of whooping cough usually take a week to appear. In the initial stages the symptoms include a runny nose, sneezing, slight fever, a mild irritating cough and generally feeling unwell. This stage can last 1-2 weeks and it is the most infectious time. Therefore, if you see these signs in your child, take them to the doctor early.

In the second stage the patient develops spasmodic coughing followed by a big breath in or a high-pitched 'whoop'. Coughing at this stage can bring up thick phlegm or induce vomiting. Stay vigilant and stay well everyone.

## ABSENTEES

Thank you to those parents who are continuing to contact the school office by 9am to notify us of your child's absence. However, we are still having to follow up on many (20 yesterday) un-notified absences which takes up a considerable amount of time each morning.

PLEASE notify the office if your child/ren are absent for any reason. Please also note that if you know your child will be absent for more than one day, if you do not advise the office of this, we will still have to contact you for a reason for absence. This is for safety reasons, as we cannot assume that your child is still unwell.

## WERE YOUR EARS BURNING? Staff Gratitude Section

Last Friday I thoroughly enjoyed the Senior Syndicate's production "Justice City". A huge round of applause was enjoyed by the cast and crew, but accolades must also go out to Colin Siversen for his writing and directing skills. This show, performed in Room 15, as we have not had a hall, was full of humour and a devilishly good plot. Thanks to all involved!

## RECENT STUDENT ACHIEVEMENTS

**Hockey:** A huge congratulations to the following students who have been named in the Horowhenua Representative Under 13 Hockey Boys teams for 2018:

- Blake Whitfield (Kapiti U13 P1 Boys)
- Caleb Pulepule (Kapiti U13 Mixed)
- Matthew Prentice

Great achievement boys!

# News from the Student Council

Hi everyone. It's Maddie here from the 2018 Student Council. This term the Student Council has decided to focus on sustainability and the terrible state of our waterways. We are "Waging War on Plastics". More specifically soft and single use plastics.

Firstly, we have partnered with the New World supermarket who are recycling soft plastics. We will be supplying each classroom with a bin. Students can use these bins to recycle any soft plastics they use. We will be explaining to the classes which plastics can go in the bins. New World will then pick up the plastics each week and will recycle them as part of their soft plastic recycling project.

We are also holding a poster competition. We are asking students for posters educating the school on plastics, what they are doing to the environment, and what can be done to help. The winner of the competition will receive a small prize, so get creative and come up with a funky different poster to wow our judges and educate others. All posters need to be returned to Mr Thomas's office by 29 August.

The Student Council will also be holding a beach clean up on Saturday, 15 September, so stay tuned for more news on that. Our goal in the next few years is to become a soft plastic free school. We are really excited about our plans for this term.

## Fees

Fees are \$35.00 for the first child in the family, \$20.00 for each subsequent child per family (Cash or Kindo only)

## Teams

Each team has limited numbers, with a minimum of 3-4 players per team. Teams will be populated on a first-in, first-served basis, so please return your registration form together with payment as soon as possible. Teams will be streamed where there is more than one team represented in a grade. This is to ensure all players are given the best opportunity to enjoy the game.

## Season Dates

The first leg of the season starts on Tuesday 16<sup>th</sup> October, stopping for Xmas break on Thursday 13<sup>th</sup> December.

The second leg of the season starts on Tuesday 12<sup>th</sup> February 2019, until Thursday 28<sup>th</sup> March 2019. Prizegiving will be held on Sunday 31<sup>st</sup> March 2019.

All games are played at Mazengarb Reserve, Scaife Drive, Paraparaumu.

## October School Holiday Touch Academy Sessions

We will be running two fun-packed, 3-hour Touch Sessions where you can learn a variety of skills to kick start your touch season. Check out our website and Facebook for dates.

## Uniform

Our school teams must wear their school sports team uniforms during play. Boots with metal sprigs or bare feet aren't allowed on touch fields, referees will send players off the field.

## Game Day and Times

- Tuesdays – Under 7, Under 8 at 5.00 or 5.40
- Wednesdays – Under 12, Under 14
- Thursdays – Under 10
- The weekly draw will be on our website every Monday.

NOTE: Grade eligibility is determined by player age as of January 1<sup>st</sup>, 2019. IE: If your child is born in the following years they will play in the following grades: 2013/12-U 7s, 2011-U8s, 20010/09-U10s, 2008/07-U12, 2006/05-U14, 2004 and still at school U14.

## Rules

A simplified version of touch rules is available at [www.sporty.co.nz/kapitijuniortouch](http://www.sporty.co.nz/kapitijuniortouch)

## Under 7/8s

- All Under 7 teams must wait until the dummy half passes the ball before advancing to make a touch. Coaches referee their own games in the U7 grade, and both coaches can be on the field during play.
- Under 7 and Under 8 teams play across a half field.
- U8s will be supplied a referee so coaches must stay on the sideline.

## Cancellations

In the event that we need to cancel play due to weather, we will update our website, Facebook and inform your school/coaches as soon as we are able.

## Coaches and Helpers

We require coaches and helpers for every team we enter. No previous experience is needed as we will assist you.

Touch has one of the highest participation numbers of any summer sport in Kapiti and we hope this is because it nurtures some of the positive values of sport – fair play, participation, and fun. Please consider coaching a team. It's not hard, and is a rewarding experience. Touch NZ has online training and practical courses for coaches. KJT is also hosting a practical Touch NZ Level 1 coaching course on September 16<sup>th</sup> at Mazengarb Reserve.

## Referees

KJT support and train junior referees as they are an integral part of our module. If you are Year 6/7/8 or above and would like to do our referee course, please enquire online. The TMRC (module referee course for beginners) will be held in October (date TBC).

## BBQ Duty

During this season, your team will be asked to do a BBQ duty. This should only happen once during the season. We ask 1-2 helpers from your team to come up to the BBQ and cook sausages during your child's game. Your team will always be drawn to play on Field 3 so you can still see the game. Thanks for your support as our BBQ helps to fund our referees.

## Representative Trials

If your child is wanting to experience a higher standard of Touch, we are holding our module trials on Labour Day 22<sup>nd</sup> October at Mazengarb Reserve. Players selected for KJT will then trial with Horowhenua players on 28<sup>th</sup> October to be selected for the Touch Kapiti Horowhenua teams. For more details and player pathways please visit the Touch Kapiti Horowhenua website.

## KJT School vs School Tournament/Prizegiving

For the seventh year running, KJT will run this event on the 31<sup>st</sup> March 2019 to showcase our best players within our module. Automatic entry for each grade from each school within Kapiti, team selections and entries via school coordinators/coaches in February. Prizegiving will be held at the end of the day for all module teams.

## Positive Parent Guidelines

---

Good sport is about positive attitude. You can set the right tone and help to make your child's involvement in sport successful. Ensure that you:

- **Encourage your child, and other people's children, in their efforts in sport**
- **Insist that your child plays within the rules and plays fairly**
- **Respect your child's efforts the same regardless of whether s/he has won or lost**
- **Display self-control on the sideline. Always be positive. Do not ridicule players or shout at them in a negative fashion**
- **Watch your child play and let him/her enjoy the game**
- **Show your appreciation to people who volunteer their time so that your child can play**
- **Remember your child plays sport for his/her reasons, not yours**
- **Be a positive role-model for your child**
- **Never put undue pressure on your child to perform**
- **Make an effort to understand the rules of the game**
- **Promote competition as an important aspect of participation in sport while ensuring that your child accepts winning and losing gracefully**
