

# Te Motu Syndicate Notice

CARING, SHARING, PREPARING  
Embrace our Education ~ Enhance our Future

Kia ora Parents and Caregivers of Te Motu Syndicate

This term the major learning focus for our Syndicate is local history. It is our intention to visit as many local heritage sites as possible to help our students gain a better understanding and knowledge of how the Paraparaumu area came to be, and how past events affect us now.

We would like spend a day on a “Historical Tiki Tour” visiting 10 of our major historical sites, including Waimeha Pa, Kenakena Pa, The Airport Museum, and The Last Spike (at Southwards) to name a few. There will be different activities for the students to complete at each site, and bring back to school to continue more in depth inquiries throughout the term. Each class will start at a different venue and we will “follow each other around the trail” throughout the day, with the one exception of meeting at Kapiti Boating Club/ McLean Park for lunch and to hear some of the legends of Kapiti.

For such an event to be possible, we will require plenty of parent helpers who are able to drive us around these sites. If you are able to help by driving a group around these sites on either of the days listed below, please tick the appropriate box on the Driver’s Reply Form and return it to school asap so we are able to confirm our plans.

We would appreciate a koha of \$2 from each students which will be given to the parent helpers as a contribution towards petrol. This can be given directly to your child’s classroom teacher.

Nga mihi nui,

Regards

Cath Franks, Alice Graham, Colin Siversen, Gill Snowsill, John Needham and Larisa Mckenna
